

Building More Classic Garden Furniture

Classic Garden Furniture You Can Truly Build! Transform your garden or patio into a cozier, more inviting place to relax with family and friends by making these classic outdoor furniture projects. Whether you're building a planter, bench or table you'll find designs that are practical, attractive and a pleasure to make. Even better, these 15 exciting new projects from author and master woodworker Danny Proulx are broken down into easy-to-follow instructions with step-by-step color photos and schematic drawings. Proulx designs each project to highlight one joint, construction technique or assembly process, enabling you to build upon skills you already have and learn new ones that will take your woodworking to the next level. Proulx also gives you creative freedom by showing a basic technique, and then suggesting interesting alternative methods for achieving the same end result. He'll encourage you to have fun, experiment and turn your garden, patio or yard into your favorite room of the house. Projects range from easy to intermediate, including: Beautiful Planters Benches and Screens Elegant Tables And other garden classics!
