

## 24 Easy Handmade Garden Projects: Make you and your garden more productive! (Black Gold Organic Gardening Series Book 6)

Save time and labor!! Your time is valuable, even if it is leisure time, and now you can make it more productive allowing you more pleasure. Make your outdoor spaces more enjoyable with ideas on how to grow a productive garden with chores made easier. Gardening should be pleasurable and tips, gadgets and garden projects that help keep it that way are handy bits of information to have. Whether you are gardening for hobby or economic reasons, you obviously want to make the most with the space available to you. Imagine a landscape dotted with curcubits maturing with the touch of Mother Nature; or portable bridge trellises that give rise to gourds and pumpkins decorating for fall festivities. Learn how to create hypertufa planters, pots and creations that will enhance the beauty of your garden, lawn or patio year after year. For a quick rinse off, build an outdoor shower that turns into a fun filled sprinkler for the tykes to cool off on a hot summer afternoon. The projects presented in this book are simple labor saving creations that are demonstrated in a time saving, step by step process. A few basic hand tools are needed. Limited expertise required! Material and lumber lists are included to help bring your projects to life. Check it out now!
