

# Garden Projects: 25 Easy-to-Build Wood Structures & Ornaments

Garden Projects gives you a range of plans for useful and ornamental additions to your garden. Each project is fully explained, with detailed step-by-step descriptions and illustrations to guide you through. Garden Projects suit your needs and abilities, from practical and simple raised garden beds to more ambitious things, like a tool shed. There are more whimsical structures too a flagpole, a garden swing, and an ornamental wheelbarrow for flower arrangements among them. Author Roger Marshall has carefully designed projects that don't require a vast array of tools or advanced woodworking skills. Every gardener will find ideas and plans to enhance his or her garden in this helpful book. Marshall applies his know-how and skillful delivery to a wide range of building projects that might take a weekend afternoon or provide a way to pass the time constructively on those dark winter days when you can't wait to get back out into the garden. 50 Illustrations
