

# Make Huge Profits Selling Mud Pots (Making Huge Profits)

Did you enjoy making mud pies as a child? If you did, then you will surely enjoy making hypertufa pots. These pots cost roughly \$1.00 and so easy to make. You can easily make dozens of these pots in an hour and turn around and sell them for 6-10 times your cost netting you huge profits. If you enjoy creating things and working with the public but dont mind getting a little dirty - then this is exactly right for you. Making these pots is by far one of the simplest ways of making money - and ALOT of money at that. In this short book, I will show you exactly how. Everything you need to get started, where to find customers and ideas to increase sales. You dont need anything but 3 ingredients and your imagination. If you have an idea, you have a hypertufa pot in the making. You are only limited by your inventory and imagination. I will give you alot of resources for ideas to get you started. You can have a large inventory and ready to sell in no time. Get ready to make money. Tap into your inner child and go ahead and play with mud!
