

The Book of Garden Furniture

This work was originally published in 1903. Various garden structures are dealt with in this book such as Summerhouses; Arbours; Pergolas; Bridges and Fencing of various descriptions. This is an extensively illustrated work detailing the history of all types of garden furniture in various countries. Many of the earliest books, particularly those dating back to 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original artwork and text.
