

# More Garden Woodwork in a Weekend

Richard Blizzard explains clearly and simply how to construct a whole array of indispensable and stylish garden items using straightforward materials and techniques. It features eighteen stunning garden projects to be completed in a weekend from the master of accessible and achievable woodworking. Full step-by-step instructions throughout are accompanied by easy-to-follow drawings and superb colour photographs of the finished projects. Each new technique is introduced progressively, allowing beginners to build their confidence and more experienced woodworkers to embark upon new challenges.
